

Proposta in quattro formati, Dafne assolve le diverse funzioni di divisorio, lampada o fioriera. Caratterizzata da un decoro particolarmente scenografico, prevede l'alloggiamento della pianta nella parte superiore. Tutte le versioni prevedono un sistema di fissaggio a terra. Finiture disponibili per uso interno: corten, ferro maistral brunito o verniciato. Finiture disponibili per uso esterno: corten, acciaio inox Aisi 304 maistral brunito o verniciato.

Available in four different formats, Dafne performs multiple functions, as a partition, lamp or flower box. It features a particularly spectacular decorative motif, and can house plants in the upper part. A ground fixing system is available on request. Available finishes suitable for indoor use: corten, bronzed or lacquered iron. Available finishes suitable for outdoor use: corten, bronzed or lacquered stainless steel Aisi 304.
